Challenging the stigma faced by lesbian and bisexual women, living with a mental illness

**Friday 26<sup>th</sup> July, 4pm-8pm & Saturday 27<sup>th</sup> July, 1pm-6pm**

At The Lesbian & Gay Foundation,  
Number 5, Richmond Street, Manchester M1 3HF

The kitchen is the hub of the home, it can say a lot about us and is often where some of our most life changing conversations happen. We believe that talking about mental health is the first step in ending stigma and discrimination.

Come and visit a preview of our kitchen installations, designed by lesbian and bisexual women living with a mental illness. Sit at their kitchen table, listen, talk and learn about their experiences, giving you a glimpse into their world.
